

How to Submit a Poster

First, your garden club must judge and select only one poster (either Smokey Bear or Woodsy Owl, not both) for each of the five grade levels. Consider which poster best represents the theme.

Include the following information on the back of the posters in the lower-right hand corner:

1. The name of the child with this information about him or her:
 - Address
 - Phone number
 - Grade level
 - School
 - Teacher's name,
 - School city and state.

If the school does not want the child's demographics on the drawing, please substitute the school address and phone number.

2. The name of the sponsoring Garden Club with this information:
 - Club address
 - Club Youth Chair name
 - Club Youth Chair email
 - Club Youth Chair phone number

Please submit the posters you have chosen (a maximum of 5, one per grade level) to FGCCT Youth Chair, Dottie Fox, no later than January 19, 2018. Connecticut winning posters will be submitted to the New England Garden Club's Awards Chair by February 23, 2018.

Make a copy or scan your poster before submitting. Original posters will not be returned to you.

Good Luck. Let's encourage the children to get drawing!
