

Pumpkins on Parade II

A 2021 Floral Design Challenge Opportunity!

We had such fun last year, that we're doing it again!

You're invited to create a fall design using seasonal flowers and a real pumpkin! Share a photo, and perhaps your design will be featured as part of the FGCCT's virtual Award Meeting on October 27th.

From those entered, six (6) designs will be chosen by a panel. *[Photo entries will be identified only by number.]* The six photos will be shown during The Federation's Awards Meeting Webinar. Attendees will vote for their favorite design, and the results will be announced before the end of the meeting.

Just take a photo of your design and send it as an attachment to Trish Manfredi, Judges Council Chair at ptmanfredi@cox.net by October 14, 5 p.m. In the e-mail, list the common names of the plant material used. Dried material, real fruits and vegetables, ribbon, wire, etc. are OK. Also, no faux/artificial flowers, foliage, fruits, vegetables, etc. are permitted. No invasive or endangered plant material may be used.

The winning design and all top six entries will be posted on the Federation's website for everyone to enjoy.
