1. Artistic Crafts (HB p95) are objects with a function. They may be artistically pleasing but were not created solely for their artistic value. They serve a purpose and can be labeled as a certain object such as a basket, necklace, or package.
2. Each Exhibit must be the work of the Exhibitor under whose name it is exhibited.
3. All Exhibits must contain a majority of fresh and/or dried plant material and/or fungi. Only dried plant material may be treated. No artificial, endangered, or locally invasive plant material or those listed on the Preservation list may be used. Please refer to the websites noted in the General Rules on page 4. Plant material must be in its natural form/state: example: flax or hemp manufactured into fabric, ribbon, twine, etc. is not in its natural state and may not be used.
4. **Non-plant material may be used for construction but must not show.**
5. Plant material may not be carved into figural forms; however, such forms may be assembled from plant material. Clipping, cutting, or shaping of material is allowed.
6. A List defining plant material will be available from the Consultant.
7. Scales of Points Artistic Crafts: Conformance (25); Design (30); Craftsmanship/Technique (25); Distinction (20). See HB p131.
8. **Exhibits may not have been entered in an NGC Flower show or contest- exhibitor on his/her honor – see General Rules, p. 3.**
